

**Discord** is a free voice, video, and text chat app that's used by tens of millions of people ages 13+ to talk and hang out with their communities and friends.

### **ACCOUNT SETTINGS**

Click on the "You" icon on the lower right side of your screen twice to bring up the **Settings**.

Set a **Display Name** and **Username** that are pseudonyms rather than your real name.

Consider using a disposable email rather than your personal or work email. You do not need to (and should not) add a phone number.
